NOTES TO APPLICANTS / AGENTS

Fees for discharge of planning conditions

Fees apply for the submission for any consent, agreement or approval that are required by a planning condition. The fee chargeable is £116 per request or £34 where the related permission was for extending or altering a dwelling house or other development in the curtilage of a dwelling house. **The fee is payable for each submission made regardless of the number of conditions it is seeking to discharge.**

A fee is payable for conditions related to planning permissions and reserved matter applications only. A fee is not required for conditions attached to listed building consents and conservation area consents. The requirement to make this charge is set out in Government Circular 04/2008.

You may wish to use the standard form to accompany your submission, or set out your requests in writing, clearly identifying the relevant planning application and condition(s) which you seek to discharge or seek approval for. Forms & guidance notes are available on the National Planning Portal website, <https://www.planningportal.co.uk/applications>

Non Material Amendments

There is an application form for the submission of Non Material Amendments to approved plans. Forms & guidance notes are available on the National Planning Portal website, <https://www.planningportal.co.uk/applications>

The fee chargeable is currently £234 per request, or £34 where the related permission was for extending or altering a dwelling house or other development in the curtilage of a dwelling house.

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice.

Appeals must be made on a form obtainable from the Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, BRISTOL, BS1 6PN, Telephone Number: 0303 444 5000, Email: enquiries@planninginspectorate.gov.uk or from the Planning Inspectorate website: <https://www.gov.uk/appeal-householder-planning-decision>

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

As from 6 April 2010 if an enforcement notice has been served in the previous 2 years you will have only 28 days in which to lodge the appeal following the refusal. Equally, if an enforcement notice is served after the refusal it will truncate the period for lodging the appeal against the refusal of planning permission to 28 days after the enforcement notice has been served.

Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
